To Whom It May Concern:

The El Diamante High School Band program is looking for food, equipment, gift card, and/or monetary donations towards offsetting the cost of equipment for our program. We are hoping that your store would be able to assist us with a donation of one or more of these items, or perhaps let us purchase them at a discounted rate.

Each year, the band performs a competitive field show at many different venues throughout the state. The costs associated with travel, entry fees, props, show design, etc. are very expensive, and the band fundraises to offset these travel costs. Your donation helps us with that, making our fundraising responsibilities more manageable.

Additionally, your donation is tax deductible. A tax ID can be provided to you by emailing me at the address listed below.

Thank you so much for your consideration and any assistance you can provide. Should you have any questions about donating, feel free to contact me at your earliest convenience.

Sincerely,

Kristen Pallas
