To Whom It May Concern:

The El Diamante High School Band Boosters are looking for food, equipment, gift card, and/or monetary donations towards offsetting staffing and equipment costs for our program. We are hoping that your company or store would be able to assist us with a monetary donation, a donation of one or more of these items, or perhaps let us purchase them at a discounted rate.

Each year, the band performs a competitive field show at many different venues throughout the state. The costs associated with travel, entry fees, props, show design, etc. are very expensive, and the band fundraises to offset these travel costs. Your donation helps us with that, making our fundraising responsibilities more manageable.

Additionally, your donation is tax deductible through the El Diamante Miner Foundation. A tax ID can be provided to you by emailing me at the address listed below.

If making a monetary donation via, check, checks can be made out to: Miner Foundation- Band Boosters.

Thank you so much for your consideration and any assistance you can provide. Should you have any questions about donating, please contact me at your earliest convenience.

Sincerely,

Kristen Pallas
