Students will be socially distanced 6 or more feet apart for the entire duration of rehearsal, as well as during pick up and drop off.

Should a student need to use the restroom, they will need to get permission from staff to go and they must go one at a time to ensure social distancing. Only the restrooms in the 600 building will be available. These restrooms will ONLY be available to band/guard students.

LEAVING REHEARSAL:

Students will mark the sidewalk with a spot for themselves to wait. Guard students will line up on the sidewalk on the south side of the blacktop.
